Resolution 2015 - 2016

Chairman Message

Lion Dr. K.S. Rangasamy
Chairman

I am very happy to know that the Department of Computer Applications, K.S.R College of Engineering is releasing a department magazine "**Resolution** – 2015". The magazine will aim at improve the students as well as the faculty society. It will motivate not only the quality of education but also offer more inspiring to the students so that they could involve themselves in building the magazine by participating in various activities both in academic as well as extra curricular. The department has impressive infrastructure backed by the most contemporary lab equipped with highly sophisticated equipments are testimony to its uniqueness. The department has achieved various ranks at university level and also the students have been trained well towards industry recruitments and got placed in reputed companies. I wish "**Resolution** – 2015" for the success and hope it would motivate staffs and students to improve themselves and meet their accomplishment.

Lion Dr. K.S. Rangasamy, MJF

Managing Trustee Message

Mr. R. Srinivasan
Managing Trustee

I am very glad to know that the Department of Computer Applications of K.S.R College of Engineering is publishing the department magazine "Resolution", Third issue of 2015. This magazine appreciates the achievements and honors received in both students and faculty members of departments. **"A successful individual typically sets his next goal somewhat but not too much above his last achievement. In this way he steadily raises his level of aspiration"**. As appreciation is the best way to motivate the students and faculty members to grow closer to their goals and also to achieve good placement. hope this magazine not only will provides the information about department activities but motivates the new Millennial to focus on their research works and developments

I hope the issue will be magnificent and enhances the department activity. I Wish "**Resolution** – 2015" a Grand Success.

Mr. R. Srinivasan

Principal Message

Dr.K. Kaliannan
Principal

It gives me immense pleasure to know that the Department of Computer Applications, K.S.R College of Engineering is publishing The second issue of Department Magazine "**Resolution** – 2015". The magazine will provide department information, infrastructure of department, research work carried out in the department to facilitate the updating of knowledge and will also provide invaluable opportunities to students and faculty members of Computer applications department to recuperate themselves as well the department. The magazine also appreciates the rank holders and placed students in the reputed company's. I congratulate and wish the students and staff members who have involved themselves in this magazine "**Resolution** – 2015" a great success.

DEPARTMENT OF COMPUTER APPLICATIONS

Department Profile

The Department was started in 2003

and it has grown excellently in academic and research work. It is accredited by the National Board of Accreditation (NBA), AICTE. At present the department offers three years Master of Computer Applications with an annual intake of 180 students. It offers an outstanding opportunity for budding professional to polish their skills and outperform their competitors. The faculties of the

department have over 177 publications in referred Journals and Conferences. The department is equipped with state of the art computing and internet facilities (8 Mbps) and supported by experienced and well-qualified faculty members. The Department bears 71 University Ranks including First Rank in Anna University. The department has maintained an active interaction with the industries and professional bodies particularly with the Computer Society of India, IEEE and ISTE. More than 75% of the students have been placed in reputed IT companies through Placement Cell.

Incubator for budding professionals
