K.S.R. COLLEGE OF ENGINEERING (AUTONOMOUS)

VISION

We envision to achieve status as an excellent educational institution in the global knowledge hub, making self-learners, experts, ethical and responsible engineers, technologists, scientists, managers, administrators, and entrepreneurs who will significantly contribute to research and environment-friendly sustainable growth of the nation and the world.

MISSION

- To inculcate in the students' self-learning abilities that enable them to become competitive and considerate engineers, technologists, scientists, managers, entrepreneurs, and administrators by diligently imparting the best of education, nurturing environmental and social needs.
- To foster and maintain a mutually beneficial partnership with global industries and Institutions through knowledge sharing, collaborative research, and innovation.

DEPARTMENT OF COMPUTER APPLICATIONS

VISION

The department aims to develop professionals having good knowledge, skills and attitude in the field of computer applications for the betterment of industry and society.

MISSION

- To provide high quality education in the field of computer applications and there by create compute professionals with proper leadership skills, commitment and moral values.
- To educate students to be successful, ethical, and effective problem- solvers and life-long learners who will contribute positively to the economic well-being of our nation.

CHAIRMAN MESSAGE

Mr. R. SRINIVASAN, BBM.,MISTE
Chairman, KSREI

Education is the foundation of a brighter tomorrow, and this magazine reflects the vibrant spirit of our learners. May it continue to inspire creativity, excellence, and lifelong curiosity in every reader. In the recent times, the role of KSRCE is to carry out proactive research and development activities to make the students as well as faculty member's intellectuals, which are very challenging and demanding. It is of great significance that this magazine is going to deliberate upon It will definitely explore new areas of practice and enhancing quality of professional services. I am sure this magazine will be a milestone in ensuring the highest standards in this profession. I wish the organizers the very best in this and all their other endeavours. I am eagerly looking forward to seeing you and enjoying this magazine in KSRCE Campus.

PRINCIPAL MESSAGE

Dr. P. Meenakshi Devi, M.E., Ph.D.
PRINCIPAL
KSRCE

My heartiest welcome to all the young budding Engineers who have joined in "K.S.R. College of Engineering". With the help of highly qualified and dedicated staff members, we will be moulding the students to the required shape which will make them employable. The composite unit of Students, Parents, and Society is our customer. The K.S.R. College of Engineering will strive hard to provide customer satisfaction. In our college, we give top priority to discipline. A series of tests and examinations will be conducted to achieve good performance in the university examinations. An effective Training and Placement (T&P) cell is formed to provide placement to all our students. Importance will be given to extra-curricular and co-curricular activities also.

HOD MESSAGE

Dr. P. Anitha, HoD
MCA
KSRCE

It is a pleasure to present this edition of our Master of Computer Applications magazine. Our department is proud to have a strong track record of placing our students in leading IT companies, and we are dedicated to ensuring that our graduates are well-prepared for their future careers. We encourage all students to take advantage of the numerous opportunities available to them, including internships, research projects, and extracurricular activities. We are constantly working to improve our curriculum and teaching methods, ensuring that our students are equipped with the skills and knowledge they need to succeed in the ever-changing world of technology.

ACHIEVEMENTS OF FACULTY & STUDENTS

ACHIEVEMENT OF FACULTY

As part of an international academic initiative, Dr. P. Anitha, Head of the Department, participated as a Resource Person in a collaborative program focused on global academic and research partnerships, held in Malaysia in June 2025.

ACHIEVEMENTS OF FACULTY & STUDENTS

ACHIEVEMENT OF FACULTY

Dr. J.K. Kanimozhi from the department received the Best Achiever Award in Feb' 2025 from the TFRF, Coimbatore.

ACHIEVEMENT OF STUDENTS

M. Nethaji and P. Chandru from second-year MCA students, were recognized at the **AIR Summit 2025** held on April 1, 2025, at **KSR College of Engineering**.

- M. Nethaji received the **Best Project Award**
- P. Chandru was awarded for the **Best Poster Presentation**.

SEMINAR / WORKSHOP / PROGRAM / EVENTS ORGANIZED

The department organized the International Conference on Emerging Issues in Computer Applications: Research Issues in Gen AI and Super Intelligence (EICA–2025) on 28.03.2025, with the participation of 150 students from various institutions.

ABOUT THE COLLEGE
KSR College of Engineering is an Autonomous Institute established in 1985 located in a world-class area near Natarajapuram, Trichy, Tamil Nadu. The college is offering UG, PG, and PhD programmes in Engineering, Architecture, Science, Computer Applications, Information Technology, Management, and Business Administration. It is approved by AICTE and affiliated with Anna University, Chennai. The college is also a member of the Association of Universities in India (AUI). The college is known for its high-quality education and research.

ABOUT THE PROGRAMME
The first step towards the development of a secure system is to understand the security requirements. This programme is designed to provide a deep understanding of the security requirements and the challenges of implementing a secure system. The programme is organized by the Department of Computer Applications (MCA) and International Relations of KSRCE.

ABOUT THE FACULTY
The Department of Computer Applications (MCA) is a leading department in the college. It is headed by Dr. P. Anitha, Professor & Head. The department has a strong reputation for its research and teaching. The faculty members are highly qualified and experienced. They are dedicated to providing the best quality education to their students.
